

2017 International Symposium on Current Complex Spinal Surgery

- **Date:** 08:00~17:30 October 21st, 2017
- **Venue:** Conference room, 1st Floor, Cancer Center, China Medical University Hospital, Taichung, Taiwan (No.6, Xueshi Rd., North Dist., Taichung City 404, Taiwan (R.O.C.))
- **Hosted by:** Department of Orthopedics, China Medical University Hospital, Taiwan
- **Co-hosted by:** Taiwan Society of Minimally Invasive Spine Surgery

Time	Topic	Speaker
08:00~08:30	Registration	
08:30~08:40	Opening	Dr. Der-Yang Chao, Superintendent, CMUH
08:40~08:50	Welcome address	Dr. Horng-Chaung Hsu, Director, Orthopedic Department, CMUH
Cervical spine surgery Section I		Modulator: Dr. Chun-Lin Liu & Dr. Currier, Bradford L.
08:50~09:05	Evaluation of safety of cervical disc replacement compared with ACDF	Dr. Currier, Bradford L., Mayo Clinic
09:05~09:20	Cervical disc replacement: pitfalls and complications	Dr. Jau-Ching Wu, Taipei Veterans General Hospital
09:20~09:35	Cervical laminoplasty for cervical spondylotic myelopathy	Dr. Der-Cherng Chen, China Medical University Hospital
09:35~09:50	C5 palsy	Dr. Currier, Bradford L., Mayo Clinic
09:50~10:20	Discussion	
10:20~10:40 Coffee break		
Cervical spine surgery Section II		Modulator: Dr. Chi-Chien Niu & Dr. Jau-Ching Wu
10:40~10:55	Principles of revision cervical surgery	Dr. Todd J. Albert, Hospital for Special Surgery
10:55~11:10	Cervical deformities: Pearls and pitfalls	Dr. Currier, Bradford L., Mayo Clinic
11:10~11:25	Surgery of cervical spine deformity	Dr. Wen-Tien Wu, Hualien Tzu Chi Hospital
11:25~11:40	Revision surgery of cervical spine	Dr. Chi-Chien Niu, Linko Chang Gang Hospital
11:40~12:10	Discussion	
12:10~13:30 Lunch		
Spine deformity Section I		Modulator: Dr. Todd J. Albert & Dr. Cheng-Hung Lee
13:30~13:45	Why all lumbar degenerative cases are deformity cases	Dr. Todd J. Albert, Hospital for Special Surgery
13:45~14:00	Risk management in adult spinal deformity	Dr. Todd J. Albert, Hospital for Special Surgery
14:00~14:10	O arm assisted surgery in spine deformity	Dr. Chien-Chun Chang, China Medical University Hospital
14:10~14:20	3D printing assisted surgery in spine deformity	Dr. Hsien-Te Chen, China Medical University Hospital
14:20~14:35	Management of flat back after spine surgery	Dr. Cheng-Hung Lee, Taichung Veterans General Hospital
14:35~14:50	STF in adolescent idiopathic scoliosis	Dr. Ying-Yu Chen, Jen-Ai Hospital
14:50~15:20	Discussion	
15:20~15:40 Coffee break		
Spine deformity Section II		Modulator: Dr. Yen-Jen Chen & Dr. Shih-Tien Wang
15:40~15:55	PJK: Current state of the art	Dr. Todd J. Albert, Hospital for Special Surgery
15:55~16:10	Wrong site surgery	Dr. Currier, Bradford L., Mayo Clinic
16:10~16:20	Revision Strategies for Failed Vertebroplasty: A Algorithm Proposal Depending on Modified Dynamic Radiographs	Dr. Yen-Jen Chen, China Medical University Hospital
16:20~16:35	Surgical Management of degenerative scoliosis	Dr. Shih-Tien Wang, Taipei Veterans General Hospital
16:35~16:50	Techniques for avoiding and managing proximal junctional failure	Dr. Shu-Hua Yang, National Taiwan University Hospital
16:50~17:00	The application of midline lumbar fusion technique (MIDLF) with minimally exposure approach	Dr. Hsiang-Ming Huang, China Medical University Hospital
17:00~17:30	Discussion
